

KEEP TRUCKIN

THE EASIEST AND MOST AFFORDABLE ELD SYSTEM

Electronic Logs + GPS Tracking + IFTA

ELD SOLUTION

The complete ELD solution for your fleet

The KeepTruckin ELD hardware plugs into your vehicles's diagnostic port and automatically records drive time in compliance with DOT regulations. Drivers simply connect to the ELD from their iPhone, iPad or Android device via Bluetooth. Setup takes just a few minutes. Once connected, fleet managers can automate log auditing, IFTA reporting, GPS tracking, and more.

Electronic Logging Device (ELD)

The KeepTruckin ELD installs in minutes. Simply plug it into the diagnostic port in your vehicle and wirelessly connect it to the KeepTruckin Electronic Logbook App. For as little as \$20 per vehicle / month, your fleet can be compliant with the ELD mandate.

Electronic Logbook App

KeepTruckin gives your drivers a free and easy to use mobile application to record their logs on their iPhone, iPad, or Android device. The KeepTruckin Electronic Logbook App is approved by the DOT and wirelessly syncs via Bluetooth with the KeepTruckin ELD.

Web Dashboard

KeepTruckin automatically audits your drivers' logs for violations and notifies you in real-time of any errors. Plus, from the KeepTruckin Dashboard you can GPS track vehicles, send messages to drivers, and quickly file IFTA reports.

Over 300,000 and 10,000 fleets trust KeepTruckin with their electronic logs. The ELD mandate doesn't have to be a headache.

WHY KEEPTRUCKIN

The final Electronic Logging Device mandate will be enforced by December 2017 and applies to over 4-million commercial vehicles. Drivers who maintain records of duty status will be required to adopt ELDs in order to stay compliant.

Easy to use

Thousands of drivers rate KeepTruckin a nearly perfect 5-stars on the Android & Apple iOS app stores. When rolling out technology, driver adoption is critical. Go with the ELD provider drivers rate higher than anyone else.

Fast implementation

KeepTruckin's ELD is a simple plug and play. You just plug the ELD into the diagnostic port and it automatically pairs with the KeepTruckin Electronic Logbook App. Installation takes just minutes and doesn't require a mechanic.

Competitive price

Many fleets wonder how ELDs will impact their bottom line. The KeepTruckin ELD starts at just \$20/month, without any upfront costs. It's the highest quality and most affordable electronic logging system on the market.
